I'm so sad to hear of "peepaw's" passing. I know every single one of you is suffering from a broken heart. Whenever I'm describing an idyllic family to someone it's always the Clark family that I use as an example. You guys are the sweetest family. My love and thoughts are with you.

“ We are heartbroken but know L. B. Is in heaven. He was a good person and a perfect gentleman. We took trips together years ago and he was always the same, loving his family and wife, Geraldine. What a big loss for everyone but he had done all his good work in this world. Thank you God for a good man. Patsy & Don Mabry

“ Condolences and prayers To all of the family and friends. We grew up in a very tight knit small town. Everyone knew each other. As I was reading the list of names of family members I could see so many loving and caring faces through my life. Everyone knew PeeWee or were related to him. He was a great man and will be missed by many. Prayers for all friends and family.

“ I loved the way he loved his family. He surely was an amazing Dad, grandfather & great grandfather. My favorite memory is seeing pictures of him in the boat at the lake. He seemed to really love it up there in Hiawassee.. He leaves a wonderful legacy. Such a gentle kind man that will be in our hearts forever. Love & prayers to all of the family. 🙏🙏🙏🙏🙏

LB was a kind, caring and loving husband, father and grandfather. I loved his beautiful smile and he grew the absolute best tasting tomatoes! He surely did raise some wonderful children, especially my sweet friend, Betty who is so dear to my heart. Rest peacefully, LB and when I think of you, I smile. Much love to his wonderful family. To my old friends, may you know God's strongest presence in the loss of your father! I have memories of his quiet conversations as he'd sit on the dozer for a break in the action. Saw him work that machine on several occasions. Love you, dear friends! Robby Martin

As I read L.B's obituary, My heart is filled with so many good memories of times our families spent together. I don't know what I can say, I don't know what I can do, but one thing is for sure, I can pray; and each one of you will certainly be in my thoughts and prayers. The friendship that our families shared over the years is still so special to me.
