“ Dear Angie and Ray,

My heart sank when I heard of Linda's passing. Growing up in Palmetto, I saw Linda quiet often. She was always so kind and sweet. She just loved people and she liked to make everyone feel that they were special to her. She had such a big heart. No matter what, I always felt better after talking with her. I am so happy I could call her "my friend." Angie, I will be praying for you as I know what it is like to have such a loving Mother. A Mother is your first friend and always your best friend. Ray, I will also be praying for you. What a beautiful love story the two of you had! My "Sweet Man" passed three years ago October 25. Each and every day I miss him, but I know he's with me each of those days and nights just as Linda will always be with you.

Linda will be missed by so many. God Bless.

*“ To Angie and Ray my heart goes out to you in prayer, love and tears. Linda was my dearest friend . We didn't have to talk everyday or, see each other every month. Our spirit just knew the other was there anytime we needed each other. Breaks my heart I didn't get to see her before she went out of town. She will be loved and missed as long as I live. There will never be another Linda . I pray you find peace and strength . Her angel will watch over you both. Love to you both,

“ *Memories and conversations go so far back with Linda that I can't begin to remember them all. I will say if there was ever a time she didn't smile then it sure wasn't in my presence. I can only imagine the grief and pain those that had her in their lives daily must be feeling because for us that had that occasional encounter it is sad enough. I share the love of flowers, gardening and nature with Linda and yes even cancer. She uplifted me and probably I did her too in our comparisons of the ugly disease. She fought it long and hard and in my opinion won. I think the angel opening just seriously had work that needed her expertise in that slot. We shall all miss you wonderful Linda and may you RIP with all the other angels dancing on clouds.*

“ To Ray, Angie and Family,
I never saw Linda when she wasn't upbeat. She always had a funny story about my mom to share with me. That was special. Tons of personality. Could light up any room just by being there. Queen Elizabeth II said it best, "Grief is the price we pay for love." Linda was much loved by anyone she had contact with. We couldn't help ourselves but to love her. On the plus side, we'll see her again in all perfection.

“ Angie, Ray and family~

When my heart is over whelmed, lead me to the ROCK that is Higher then the.

Paslm 61:2

May we all rejoice in the LOVE and LIFE that shined through Linda, as a Mother, and a Friend during her strong and remarkable days her on earth. As she touched so many with her kind words, sweet smile, and beautiful love .

I will always remember this sweet, kind and precious lady and when I stop and reflect on Ms. Linda's life; these sweet words come to mind.

Some people come into our lives and quickly go. Some stay for awhile and leave footprints on our hearts and we are never, ever the same.

also those we love don't go away, they walk beside us everyday.

I pray these words upon Angie, Ray, Ryan, and family as well as those that were touched by this sweet lady's life,

TENDERLY may time heal the SARROW

GENTLY may friends ease your PAIN

SOFTLY may people replace heartaches and may WARMEST MEMORIES FEEL your hearts with joy.

Amen

As I close a few words for Angie a dear old friend. I can not begin to understand the sorrow you are going through but what I do know is this,

A MOTHER IS YOUR FIRST BEST FRIEND, YOUR BEST FRIEND, YOUR FOREVER FRIEND AND SHE LOVED YOU MORE THEN LIFE IT SELF.

With my deepest sympathy and, no matter the distance, no matter the reason, just a phone call away.
