“ *I would like to offer my condolences to the family and friends of Mrs. Honrath, a truly wonderful lady.*

*I have not seen or talked with her since the mid 1980's when we were neighbors in Richardson. To this day, I cannot see a carousel horse, and not be reminded of her fondness toward them, or the devotion she showed to her family.*

*Mr. Honrath, Diana, and Dianeme (whom I had only briefly seen in passing) you are all in my thoughts.*

“*Lieber Herbert, liebe Diana, liebe Familie und Angehörige von Linda! Unsere Tochter Rita aus Berlin war im Jahr 2000 Gasttochter bei Euch und genoß Lindas und Herberts Liebe und Fürsorge. Wir hatten uns im Sommer 2000 kennengelernt, als Rita wieder nach Hause kam. Leider haben einige Missverständnisse - für unsere Rita war es damals schwer und wir hätten Sie in dem Alter nicht so weit weg lassen dürfen - dazu geführt, dass wir nicht mehr zusammengekommen sind. Trotzdem haben wir viel an Euch und speziell an Linda gedacht, die uns ans Herz gewachsen ist. Es tut weh zu hören, dass Sie nicht mehr lebt. Es hätte Sie wohl sehr gefreut zu wissen, dass Fr. Dr. Rita Plickert eine ganz tüchtige und verantwortungsbewußte Ärztin geworden ist, woran auch Ihr sicherlich Anteil habt. Wir sind in Trauer bei Euch. Monika und Volker Plickert*

“*There are no words that can describe what joy Linda could bring amongst those around her. I had the great honor to know Linda for 5 1/2 years as she was our "Coffee Lady". I always knew when I saw the van pull up outside the office I was going to see a smiling Linda and someone that would brighten up my day. Either she would be telling me of her upcoming vacation or something interesting that she had learned since her last visit. Always giving me a big hug. She will be missed by all that knew her. Love you Miss Linda... My sympathy to Herbert and Dianna during this difficult time of sorrow.*

“ *Honrath family,  
This is such sad news. Mrs. Linda was such a sweet lady. I always loved it when she would deliver coffee to New Hope. When I saw her truck pull up I knew I was about to see a sweet smile and going to get to talk to a great friend. She was such a blessing to everyone she met. My Mom and I loved her alot. She is going to be greatly missed. Praying for your family.*

“ *Some people have a natural talent for making those around them feel appreciated. I adored that about her. She put her heart into all the things that mattered to her, especially those she deeply loved. She had so many lovely qualities, but most of all, I'll remember how beautifully caring she was. When I first met Linda I saw that this beautiful woman with the great smile had to meet my mum, and to find out that she was a Red Hat too! that was a plus (I had been pestering my mum to join for the longest time, to get out and make friends) so I asked Linda to get my mum out and active and she did. They became fast friends and I so enjoyed listening about their shopping adventures and the excursions they had. My mum is always telling me that Linda was grateful to me for getting them together and making Linda take my mum out, but I am grateful to her for being so a wonderful friend to my mother and a light in my family's life. Thank you Linda I will miss you and the stories.*

“ *My Sister's Hands*

*I remember Linda's Hands  
They were the most beautiful hands,  
hands that played with me,  
hands that taught me,  
hands that feed me,  
hands that cared for me,  
hands that wiped away tears,  
The hands that held me close when I was afraid.*

*Hands that loved me!  
I remember Linda's hands as a child,  
And her hands the day I wed*

*Linda's hands, still the most beautiful hands  
Linda's hands are in my heart  
They are now in God's hands!*

*I Have Always Loved You  
Your Sister  
Charlyenne*

*Herbert, Diana, Dianeme, David and Lauren*

*Our thoughts and prayers are with you all.  
Carry Linda in your hearts and remember the memories.  
Walk in her garden and feel her close.  
She is with you always.*

“ Oma, I'm gonna miss you so much. I want you to know that I love you very much and I always thought you were a remarkable woman. I'm sorry we didn't have more time together. There were so many things I wanted to do with you and Opa. I know you are with the angels and you are with me, mom and dad. You will always be my Oma, and nothing will ever change that. But I enjoyed the time me Opa and you spent together, and I will never forget that! Opa I'm sorry, and I love you very much as well. Your granddaughter Lauren

“ Momma, the most beautiful girl in the world. I found the "prism" song that you sang to me and Diana when we were little girls. The lady also sang "We'll sing in the sunshine and laugh every day." That is you my sweet love love. Thank you for all the wise advice, girl talks and love and fun that we shared. I will miss being your bead lady. I am sending as much love and light to Herbert and Diana that I can. I love you both. I love you Momma. Half of my world is gone with you not in it. I'm so happy that you are liked and loved by so many people. You were and are the best! You are always on my mind and Forever in my Heart. Dianeme

“ Herbert & Diana,  
I was fortunate to meet Linda years ago when she first took over Coffee Things.  
I was at Fairburn Banking Company and ordered all our coffee from her. We really became good friends and since I retired I would run into her around town and catch up. I am so sorry for your loss but Linda was a special lady and loved by many because she loved so many. I will keep you in my prayers.

“ Beautiful, thoughtful, hard working, and caring woman. We will miss her dearly @ Layne Heavy Civil, Inc. May you find comfort in the beautiful promise that Jehovah gives us at Revelation 21:3 & 4, a time where he promises to wipe every tear from our eyes and death will be no more, neither will mourning nor outcry, nor pain be anymore.  
Much love to your family.

“ Dear Herbert and Diana,  
dear Linda,

*you were God's miracle in 2001 and from this day we met, we were family - incredible. You put back the smile on my face, spreading the feeling of being seen and loved.*

*You were, you are a guardian angel. Every single moment we shared was special, as you were, are, special.*

*Even though I know you are going to live on in my heart, I miss you like crazy.*

*You are my American Mama and I am so grateful for whatever made it possible that our ways on earth crossed.*

*Dear Herbert,  
dear Diana,*

*It's incredible - not having her around you anymore. But I believe she is where the angels are and I am sure we will see each other again.*

*I have found a part in a book, that maybe can ease your pain for a second:*

*"MOMO" by Michael Ende*

*'What will happen when my heart stops beating?' Momo asked.*

*'When that moment comes', said the professor, 'time will stop for you as well. Or rather, you will retrace your steps through time, through all the days and nights, months and years of your life, until you go out through the great, round silver gate you entered by.'*

*'What will I find on the other side?'*

*'The home of the music you've sometimes faintly heard in the distance, but by then you'll be part of it. You yourself will be a note in its mighty harmonies.'*

“ I had only met Linda about four years ago as she came and serviced Newco in Fairburn. But she touched my life in such a positive way. Her and Herbert gave myself and my husband something to strive for in life, love and happiness, something you could not help but notice when speaking to either of them.

*She will be missed and I am wishing comfort and peace for Herbert, you are in my prayers and only a phone call away.*

*Luv, Cyndie*

“ I have known Linda 6 years and what a wonderful 6 years it has been. I can not find the words to express how much I will miss her. Her and Herbert have been coming to Fernandina Beach to stay at Ketch Courtyard since 2000. I came here in 2007 and when they checked in for the my first time it felt like I had known her forever. We have talked, visited, went to yard sales together while she was here. Words can't describe how much she will be missed. I am just so honored to have known her and Herbert. Both are very special people and I know that Linda will leave a void in peoples heart that she has touched and I am just one of many. “ I am so sadden today after learning of a dear, dear friend going home to the Lord. It is selfish to feel this way when I know the Lord let us have her here for so many wonderful years, yet my tears fall freely and unstopping. I loved Linda so much. She has seen me grow up and offered many wise comments when I needed them the most. Just seeing Linda always made me excited because I always knew there was something new to hear or experience. “ While we don't know how to heal your pain and wish we could, we know the measure of a life well-lived is not in how much money one has or what possessions they have accumulated, but rather through the lives they touched and the sorrow they leave behind. If the outpouring of sympathy on her loss is any indication, and it most certainly is, you can proudly and confidently say that her life was indeed well-lived.

May God bless you to find peace and comfort in knowing that her loss is felt by all of us who knew and loved her.
