“ I am in the process of going through old business cards and came across this one that Linda gave me. I just looked her up online and am very sorry to learn that she's passed. My condolences to her family. I remember meeting her at the Old Town Art Fair in Chicago. She and I communicated after that and she created some lovely wall art that I still have in my home. She was so kind and very accommodating and I really loved her use of textures and color. I think of her every time I look at her artwork in my home,

“ *Linda was such a free spirit. This can be witnessed on her website with her beautiful art. We remember her courage & witness as she and Ken stood together during mass and served as Eucharistic Ministers in the last days of her life. I pray that my final days will be recognized as service to our Lord.*

“ Linda was an artist of light and passionate about her creative expressions. They were magical. Linda always had a smile, full of love and kindness. Linda will be missed, but she has left her light behind in her artwork and those she came into contact with. Now Linda has gone

into the light..
