“ Hey Mom, I just wanted to say hello and I love you. I really do wish you were still here. I kind of screwed up in a really really big way and I'm not sure what to do. You know I had the surgery on my arm and I was expecting a bigger check from the sheriff department and what I've got and I've got a bunch of bills due a little accident on Tuesday. I'm starting starting to really stress out a lot. I'd give anything to be able to put my head on his shoulder and just to hear your famous words everything will be okay and I love you so much. Mommy and I miss you every single day. I'm not sure what to do or how to fix this but I'm going to try my hardest. I just wish I had my mommy here to talk to you or even ask for some help. As you know CJ's already left for basic and I know I've asked for you and Dad to keep out the only one he's gone and then keep him safe and thank you for doing that. You're the best Walmart in the world. I love you Mommy very much and thank you for always being there for me when I needed you. So if you're not too busy, please come see me so I can lay my head on your shoulder. I love you Mommy.

I am not sure what to do at this point with this job. I could use some words of wisdom. I love and miss you mom and always remember (Here's looking at you kid) Love you with all my heart.

“ Hello Mommy,
I am sorry that I have not made it over there
in the last few weeks. No money No gas...
Both my girls have left home but I hope that
they will come back soon. Savanna should be
home in Aug as long as she does not change her mind. I get to go
back and this time I will make you and dad proud of me. I just might
get all of the awards. Can you please give dad a big hug and kiss
for me and tell him Happy Fathers Day.... Mom I could use a miracle
to help me get food in the house and pay some bills. I would have
said something to dad but you know how he gets... Pray for me
I also wanted to tell you "Here's looking at you kid". Mom I love and
miss you very much and I hope that you know that, you are the best
mom in the world and someone that I am very thankful to have.

“ Hey Mom,
Just wanted to see how things have been
going upstairs. I went by there last week and
cleaned up and made sure it was the way that
you and dad like it. Mom sometimes it seems
like it was only yesterday that we was on the front porch drinking
coffee and you and dad was playing with kk, savanna and c.j.... They
have gotten so big but yall would enjoy Landen he is something
else. Mom I also wanted to thanks for being such a wonderful mom.
I was wondering if you and dad would come see me soon. Just to
say hi and so I could give both of you a great big hug and kiss. Mom
I love and miss you with all my heart. I think about you all of the time
and then I cry and then I smile because I miss you so much and
realize I have all those memories of you. I love and miss you

“ Mom,
I have no idea where to start. Its hard to believe that you have been gone for over 9 years. Sometimes I can close my eyes and see you there playing with the kids of in the kitchen making coffee or better yet my favorite chicken croissants... Mom things are not the same without you and its not any fun not having you around. You hit the nail on the head when you said that Chris we me and your dad are gone I have no idea what your going to do.... Guess what I have no idea either. Having you here to talk to made things so much easier and when they got rough I had you and dad there to get me out of the roller coaster ride... Mom I could really use some of that magic to help me out of this. Mom just wanted to say that I love you miss you. I will be over that way in the next few days. Love you mom
