“ So very sorry Wayne, the Tumlin family and the Shi family for the loss of your beloved Linda. I have had the honor of knowing Shi thru softball and Wayne as a part of Southern Bell and Bellsouth network. Shi was one of the all time best softball players. She was also a wonderful mother and grandmother that I so admired and will miss seeing her wonderful smile and laugh. We will miss you beautiful lady!!! R.I.P. my friend!

“ I am saddened today to hear of Linda's passing. To Wayne, my wonderful friend of over 50 years , I am here for you anytime to talk. As someone who has experienced this before, the Good Lord will help you through this loss as I'm sure you know. Linda was a good friend of my late Judith, they had some good times together. Now they and others are together again. My thoughts and prayers are with you and family Wayne

“ We are so very sorry to learn of Linda's passing. Y'all were great next door neighbors in Morning Creek Estates - can't believe it's been 43 years since we last saw each other, but we did catch up through Facebook over the years. Our thoughts and prayers are with Wayne, family, and friends.

“ When I think of Shi it will always include many softball memories. She was a force to be reckoned with on the ball field. My dad nicknamed her “Stretch” because of her abilities playing first base. Spending time with her not only on the field, but riding to practices, games & tournaments were special because she was so special! We will never forget her smile and her laughter. We were blessed to call her friend. We were fortunate to become friends with her parents and honored to be godparents to her & Wayne’s son Steven. We spend a few vacations with Shi & Wayne including a trip to Las Vegas (she was a great blackjack player) and Gatlinburg (seeing both of them snow ski was hilarious!). There were picnics at the lake at Peachtree City. I am so sad to lose my friend on this earth, but look forward to the day that I meet up again with her in heaven and can spend more time with such a very special lady!! We love you Shi!! R.I.P.

“ A dear friend and one of the best first baseman, if not the best in our years of playing softball together. Her humor and steadfast love for the game was amazing. Many memories to cherish! May special memories with her family help ease the loss. Rest in eternal peace, my friend. 🙏❤️
