I really enjoyed viewing all the wonderful photos! Such a beautiful tribute. I especially liked the last photo. Linda and I shared so many talks over watching The Golden Girls at night. She definitely was a friend I was thankful for. 💕

PS

I loved all of the pictures of Linda! She was such a special person I'm so many peoples lives. I miss her so much already. We communicated through Words with Friends almost every day. That's by I how started my day, with Linda. Of course she wouldn't play me a word back until mid afternoon. 😊

Linda and I became friends while working in Baltimore. Although she went back to Georgia and we moved to Virginia, our friendship lasted. We had talks on Words With Friends, telephone conversations and letters. She was a fun person and will be greatly missed.

“ *Linda is a person who went out of her way to help me when I was grieving hard.
I wish that people with that kind of heart would not leave so soon.
My sincere condolences to her family and friends for their loss.

“ *Heartfelt condolences to the family and friends of Lady Linda Shirley Wilson whose loving expressions of kindness toward her extended family endeared her to all of us Cunningham cousins through the years. Her grandmother and our mother (Sarah Mashburn Cunningham) were sisters. May the Lord comfort and strengthen you, and grant you His peace*

“ I met Linda at the USPIS in 1990 when I was 19 years old. She basically took me under her wing and showed me the ropes of the job. I loved that she and I worked the "late shift" and were the only ones in the office between 5p-6p. We had so much fun during that hour (yes, we worked too). She was one of the funniest and fun people I've ever known. Every evening when it was just us in the office, she'd say, "I have a joke for you." I had never met someone who knew so many jokes and had such a good delivery. She was also kind and generous. I remember Linda was always baking something and bringing it to the office...boy, did I put on the pounds! She whistled better than anyone I had ever heard. Linda has always had a special place in my heart and always will. I pray for peace and comfort for her husband Carl, as well as his daughter, and the rest of Linda's family. A wonderful lady has gained her wings...

April, I appreciate your words about Linda. She was an inspiration to us all that worked side by side. Carl, I'm so sorry for your loss.

April, I remember when you started working with Linda. We "all" learned so much from her. I was deeply saddened when you sent me the link, but at the same time a smile came to my face when I thought of all the help she provided me from the first time I met her in 1986 until I retired in 1999.
