“ *I met Ms. Lois only 7 years ago, but sharing coffee on her porch during early morning hours in Panacea made my days.. We kept in touch by phone after I moved away, and our laugh-filled conversations never failed to encourage me. I am so grateful that our lives intersected, and I will always love her.*

Prayers for the family. I have so many wonderful memories of Mrs. Pittman. She was like a second mama to me since I was 9 years old. I spent as much time at her house with Renee as I did my own house. I was childhood friends with Renee and Bobby. She was loved and will be missed.
