“ Our family wants to thank you all for being here today with us as we lay our Mother “Lois Turner” to rest. As most of you know she has not been well for a while and fell really ill in June of this year. We have watched her health progressively dwindle for the last 6 months so we are very thankful that she is in Heaven now and is no longer suffering.

I wanted to take a few moments today to reflect on who our Mother was. She was a kind soul that always gave more than she was willing to receive. She always had good intentions of doing right by others and never expected or asked for anything in return. She went through life wanting to help and never wanted to be helped. She was always very high spirited and high energy and had a fire in her belly that was second to none. She was loved by many. She worked hard to raise 6 children and to be supportive for Daddy, especially when times were tough.

Her intent was to be a good Mother, Wife, Sister, Daughter, Grandmother, Great Grandmother, and friend. She always wanted those around her to feel loved.

I know my siblings all have their own fondest memories of Momma. But here are some of mine. I can remember when I was little and she would be teaching me something and she would say “and that is how you do that”. ? Or when I was 29 or 30 years old and I would go down to Rich’s to have lunch with her and she would introduce me as her baby and how corny I thought it was but deep down I really liked that she did that. Maybe hearing this from me today will help my now 30 year old son Chris know that when I call him my baby it is because this is one of my fondest memories of my Momma. ?

Tim and Francie, Joy and Doyle, Pam and Don, Marty and Rita, My wonderful husband and support Scott, Clemmie, all 15 grandchildren and 23 great grandchildren, she loved us all. She sometimes found it hard to keep getting the word out to each and

every one of us but she loved us all right to the core of her being.

Frances, you have been a wonderful sister to Momma for all these years and she loved you very much. For this we all thank you.

As we lay her to rest today my family and I want to thank you all again for being so supportive and being such wonderful family and friends.

“ *I loved opening christmas presents in the living room of your house and the chocolate cake you always made. With all of the kids and grandkids and great-grand kids you had, it was amazing that you always remembered everyone's birthday. We'll miss you Granny.*
