“ I only had the opportunity to work with David for a short while but I feel truly fortunate to have done so. He had a kind and gentle spirit and was loved by all.

“ I shared a story about David yesterday with a group of co-workers and we had a good laugh, I think David would've appreciated it! I first got to know David when I was working at the Cary store and he taught me a number of things, he was a great teacher. Once I became an AC and started opening stores we got to work together a little more often and it was always comforting to have him on site as I knew he'd be able to take care of any issues that came up.

I hope that I am able to face my end with the same grace, humor and dignity as David did.

My thoughts and prayers are with you all.

“ I worked with David for more than a decade, and I can't remember meeting anyone more respected in his field by his peers. He was also a truly honest and heartfelt man, overloaded with joy. I'll never forget him.
