“ There are really no words to express how much Rennie meant to me. She was a special person in my life and I will miss her terribly. I thank God for the gift of Rennie in my life. She was a beautiful soul and a very humble person. She always had a smile and a shoulder to cry on. The most special time I had with her was when we spent the weekend in Helen, GA. Other times were the many Thursday lunches and the Ladies Trips.

See you when we meet again in Heaven. Love Jean Waddle

“ With deepest heartfelt sympathy Bob, Mary and Anna. A wonderful, loving, caring lady has left this world. She will truly be missed. It will be the little things that you will remember...the quiet times, the smiles, the laughter. And although it may seem hard right now it will be the memories of those little things that help to push away the pain and bring the smiles back again.

Those we love can never be more than a thought away...for as long as there's a memory they live in our hearts.

Rennie will be forever in our hearts!!

May God bless you with peace, mercy and love!!

With love,

“ Rennie's kind heart, humility, strong faith and generous spirit were a blessing to the St. Matthew Parish family for so many years. She is missed but her legacy lives on, especially in the beauty of the church gardens. May her soul, through the mercy of God, rest in peace. Our prayers are with Rennie and the entire Todd family. Rennie was the face of St. Matthew. She was the heart of St. Matthew. She never knew a stranger. She never turned away anyone who needed s shoulder or a sympathetic ear. She tried to help everyone she ever came in contact with. She laughed every single day. She made me laugh till we both cried. She understood virtually every situation that came through the door. She was kind to the crankiest people, the most argumentative people, and the most trying people. She was the hands and feet of Christ in every instance. Never harsh, always compassionate. Full of the Spirit, full of life, full of mischief. That was Rennie, Words just can't express what she was to people. What she was to me, a sister of a different mother, a friend, and an accomplice, LOL. She loved everyone, and everyone loved her. I'll miss you desperately my friend. But I now have an advocate in heaven who will pray for me, and for that, I am forever grateful for the mercies of God. Hugs and Kisses.....save me a seat! Love, Clare & Joe
