“ I had the utmost pleasure of knowing "Mama C" and spending time with her at various family functions through the years. I can honestly say she was the sweetest, warmest and kindest person I have ever known. I will always remember her sweet disposition as well as her smile. Truly a special lady. My heart breaks for the loss to her family who loved her so very much. Heaven has certainly gained a very very special angel. Much love to Walt and Tandra my forever friends. My prayers for the entire family. *Maleah Napier

“ There would never be enough room here for me to express what a magnificent lady "Mama C" was. She was one of the sweetest, meekest, most loving women I've ever known. There was rarely a time when we were together that there was not alot of fun and laughter. When Walt and I would act silly (which is often), she would point her finger at us, shake her head, while laughing, and say, "you two". I have and always will consider Mama C my second Mama. I will miss her immensely but I know, without a doubt, she is with Jesus and is reunited with her forever love. Fly high, Mama C! You have certainly earned wings. I will love you forever! Tandra (your favorite daughter in law 😊)

“ To my MOM , confident , best friend , and so much more. You were the one who always was there for my questions, and to offer guidance and insight. I could always count on you to listen to me at any time and offer comments if I wanted. You always were there for us and easy with a smile when we did something crazy. We will miss you terribly but we always have those memories and will never forget. I love you MOM . Your son Walt

“ To the most wonderful mother a child could hope for. You guided me through my youth and encouraged me to chase my dreams. You were my biggest cheerleader. You shared your wisdom, your creative skills, your encouragement, your counsel, and you dried my tears and calmed my fears all along the way. I have so enjoyed our time together. And I cannot even imagine life without you near. God blessed me with you as my Mom and I will cherish all the times we shared. I love you, Mom. Donna
