“ *It's random sitting at my current job in nursing and your name and smile crossed my mind. I was happy to see your picture and hope you are at peace looking over your loved ones. You always told me you felt safe when I was your night nurse and that always made me happy to do my job. I love you lady!*

“ *Ellie I am so sorry for the loss of your Mother, my sincere
condolences are with you and your family at this time.*

*I AM NOT THERE
Do not stand by my grave and weep
For I am not there.
I do not sleep.
I am a thousand winds that blow.
I am diamonds that glint on snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning hush
I am the swift uplifting rush of butterflies in joyous flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry.
I am not there.
I did not die*
