“ Our condolences from the Gargano family. I will always remember his positive outlook on life. My last image of him was at his son, Rob's wedding in Mexico. He looked content and quietly admired the loving foundation of family and friends around him.

“ To Jaime Frischmann in sympathy for the loss of your Father, John. Jaime, I want you to know that I carry you, your mother and family in my thoughts this day as I learned of your father's passing. I cared for my father until his death in 2005. What I have come to know in these intervening years is that, though not present, your father will always be with you in his smile, his laughter, the memories he made and in his love. Warmly, Gina Franklin

“ Dear Marie and family, I am so sorry and so shocked by the news of John's passing. My heart-felt sympathies are with all of you. John always had a kind word to say to me, whether I ran into him at the grocery store or the library. I will never forget his patriotic shirt that he wore for the July 3rd street dance. He definitely made the event more enjoyable. I was planning on paying my respects on Monday; however, my son is suspected of having pertussis, so no one in my family is able to go anywhere for the next five days. :( We don't expect the test results until Tuesday. Please know that my thoughts and prayers are with all of you. May God's strength comfort you.
