“ I could talk to you for a month and never tell you how much Gene meant to me.
I will live my whole life trying to repay his favors.
And hopefully pass that to all that cross my path.

“ Sunday Bob Haver told me of Gene's death. I am sorry to hear about it. I knew Gene when he, Bob, and I were members of Civil Air Patrol at South Fulton Airport. Gene was a good guy and I'm glad I had the chance to know him.

“ I am sorry to hear about Gene. May the God of all comfort be near to you. I have often found comfort in God's promise found in Revelation 21:4. "God will wipe out every tear from their eyes, and death will be no more." I hope this will bring you some comfort too.
