

Madriana "Molly" Hills

June 4, 1927 - January 8, 2026

Madriana "Molly" Hills, a devoted mother, matriarch, and true force, passed away peacefully on January 8, 2026, at the age of 98. Born on June 4, 1927, in Trinidad, West Indies, Madriana lived a long, full life marked by strength, faith, hard work, and deep love for her family. She was proud of her Caribbean roots and made sure the culture, values, and resilience she grew up with were carried forward through every generation.

Madriana was a woman of strong and unshakable faith. As a devoted Spiritual Baptist, her faith guided how she lived, how she loved, and how she stood firm through life's challenges. She worked for many years as a home care worker and CNA, caring for others with dedication and responsibility. That same care extended into her own family. She helped raise and look after many of her grandchildren and great grandchildren whenever she was needed.

She was preceded in death by her parents, Mackey Wallace and Agatha Inniss, and her beloved daughter, Gloria Williema James. Madriana leaves behind her husband, Thomas "Chalo" Charles; her children, Carol Nicholas (Rumol), Marilyn Sealey, June Sealey, Peter Sealey (Cheryl), and Cherryann Sealey; and a large, loving family of grandchildren, great grandchildren, and great great grandchildren. Her strength, faith, and Caribbean spirit live on in all of them.

Madriana was strong willed, outspoken, a storyteller, loved to dance and was deeply loving to everyone. She knew who she was, stood her ground, and took care of her people. She shaped lives, raised generations, and left a mark that cannot be erased. Though she is no longer with us, her presence, lessons, and legacy will live on through her family for years to come.

A funeral service honoring Madriana's life will be held Friday, January 23, 2026 at 11 o'clock in the Chapel of Parrott Funeral Home With Rev. Rochelle McEntyre officiating. The family will receive friends one hour prior to the service. Interment will follow at Holly Hill Memorial Park.
