“*Mrs. Nelms was truly a gentle, sweet soul who kept North Clayton High School running like a well-oiled machine! Her calm and quiet way kept many a nervous student, waiting for Mr.England or Mr.Mock to speak to them, from becoming totally panic-stricken. I had the great pleasure of working with her in the school office as part of our Business Practice Class in the 1960's and I never saw her be anything except the professional yet warm and loving true lady that everyone knew. My sincere condolences to her family on their great loss. She was a very special lady to all who knew her.*
