“ Jan was one of the sweetest friends ive ever had. We were not in touch as much as we use to be cause life just kinda happens. We shared alot of laughs and tears over the years. She also homeschooled my youngest daughter for awhile and watched her while I worked. She was a big inspiration to her and for that I will be forever grateful. Rip my sweet friend. I will never forget the impact you had on my life. Your were definitely a gem. Praying for all your precious kiddos. I know how much you loved all of them.
