To Billy. Tony. Perry. and Scott. I just found out 2 day's ago and to ...be totally honest with y'all I'm still having a hard time dealing with it. I've known grandmamma [Sarah Joiner] since i was 5 years old .And i remember Aunt Joann Franklin Terry. I remember helping Mr. joiner feed and take care of his rabbit's. As years went by i started looking at Sarah as a grandmother and started calling her that. And Joann i started calling her Aunt Joann [which she said she was find with her.] As years went by for the most part almost the whole family accepted me as part of the family. The day God Called grandmamma home and i walked in the funeral home and stood at her casket Perry came up to me as i stood there crying and rubbed my back and said that aunt Joann wanted to know if i would be 1 of the pall bearers and i shook my head yes. To me there are some people that i take for granted and think there always going to be here [and she's is one of them.] To Perry if you should get this comment could you please contact me at 706-637-6530. I have now lost all of my hearing so you will be talking to my wife Kim. I can talk just not hear anymore God Bless y'all with love and strength Greg.

“ To me Joann was beautiful inside and outside. We did not get to visit often, but it was special when she came to visit our grandmother Eula and later my mother, Ruth. I am so sorry for your loss.

“ I remember Joanne being an extremely pretty and sweet classmate. I'll never forget one day in our P. E. class at Campbell High when I looked up in the stands in the gym and saw Joanne doing sit-ups. She was counting them and when I heard her she was counting 100+. She surprised me because she seemed so feminine and delicate. I liked her very much.
