Mrs. Margaret was a very special lady! Always a smile on her face. She and I shared the same birthday. I always looked forward to visiting her. She was so special to me. I will miss our little talks. I loved her dearly. My deepest sympathy to her family! I will always remember her!

“ Dear family of our dear friend, Margaret - "stranded" at Myrtle Beach for another week, my only regret is that I cannot honor our beloved Margaret with my presence (not that that matters a great deal at this point of our CV19 "sequester")... "Dame Margaret" was the "Dowager Lady" of Harper Valley, of which I was "Lord Mayor" a couple of times. We were encouraged when she reached 100; and now at 103 to be "Promoted to Glory" is the best of all spiritual circumstances. When my Mama died a friend said, "Bob, no matter how old you are when your Mother dies you feel like an orphan." Found that to be true at the time, but the Lord is good all the time and, as we age we have more THERE too welcome us than left HERE to wave good-bye. May the love, mercy, grace and peace of God be with you through these days and into eternity. Blessings, Shalom & Selah! - Bob Tyler, B4,- Harper Valley neighbor
