“ *I was always very close to Aunt Margaret. We spent many summers with her and Uncle Bill. She was always the most loving person and would do anything for you. I will always remember her beauty and love.*

“ Dear Jerry and family,
My heart is broken over the loss of Aunt Margaret. I know that she had suffered for such a long time and that we should rejoice that she's no longer in pain, but I will miss her terribly and I hate to see her go. Throughout my life, she was always my champion. I cannot think of any event in my life that she wasn't there to support and encourage me. We have shared so many good memories that I will always cherish.

Please know that Bill and I will keep you and your family in our thoughts and prayers as we say our final good-byes.

With our love,

Pat and Bill

“ Aunt Margaret was always like a grandmother to me. We would bond over collecting Barbie dolls and antiques. I have a great appreciation and love for antiques because of her. She was an amazing and loving woman and as sad as her passing is, I take comfort in knowing her physical pain bothers her no more. She is home now with our Lord and she will always be smiling down on us.

“ I only knew Margaret for about a year, but she was the sweetest person. She reminded me of my Mother who had died the year before. She loved her family and talked about them often. She also loved little "piggies" from the barbecue place in Fayetteville! And ice cream cones from Chick-fil-A. We stopped there most Thursdays after her hair appointment. You will be missed, dear lady.

“ I have very fond memories of visiting Aunt Margaret and Uncle Bill on Delowe Drive and eating her amazing cakes. She was always very nice to me and helped in so many ways to take care of me.

To Jerry and all of the family, please know that Monique and I are praying for you all during this very difficult time and somehow I think that she is now home and with the man she loved so much, Uncle Bill.
