“ *As the daughter of and the mother of ordained pastors, Margie Nell wore her Christian faith as a suit of armor. Her Bible was always within reach providing the map for her straight and narrow walk. She knew scripture and was forever bold in its primitive and literal applications. And, if you didn't see things her way, well, she would give you 'what for' then your name went to the top of her prayer list!*

*For more than thirty years Margie Nell cut a striking figure riding the rural roads of North America along side her dotting husband, Robert, her hair tossed by the wind, as they embraced the antique touring car hobby. She will always be remembered for her ability to serve up the tastiest hush puppies and most mouth-watering coleslaw at the annual Horseless Carriage Club of America Fourth of July Fish Fry.*

*From her teenage years as a Miss Fayette County and on through motherhood and step-motherhood, Margie Nell touched many lives. The love that she shared and the friendships that she nurtured have left their cherished and indelible marks. Our treasured loss is now a blooming flower in Heaven's bouquet.*

“ My thoughts and prayers are with your entire family. It is always hard to say our earthly goodbyes to the ones we love, especially when the love is returned in such a special way. I pray that the many memories that you have of her, will help sustain you through the coming days. Margie loved her family and she always had such fun at family gatherings. Margie loved life!! May God comfort you and give you the peace that passes understanding, as you adjust to life without her-,until you meet again. ❤️
