“ I hope you know how much your family loved you, especially me. I am so glad you accepted my marriage proposal over 50 years ago. The time spent together was definitely the best years of my life. I'm sure you already have your Angel wings and will be watching over me, your kids, and Grandkids. We are all heartbroken to see you go, but are also happy that you are no longer suffering in pain.

“ Such a beautiful lady inside and out. I hope you realize how much I loved you and how happy I was that you accepted my marriage proposal over 50 years ago. We will all miss you, and I will especially, and although we wish you were still with us we are all glad that you are no longer suffering in pain.
