“ *Mario. I can't even begin to explain what you have done for me and how greatly you've impacted my life. Your smile, your eyes, your laugh, just everything about you was perfect. The way you'd play around with Madden, pick her up in the middle of the night so she'd stop crying, and learned how to make her bottles just shows how big your heart was. Every moment with you was a great one, and I am so grateful to have met you and let you be apart of my life. I will forever miss your loud voice and contagious laugh, but I know that you are watching over your family and friends more than ever now. Thank you for loving me, and thank you for giving me the chance to love you. I hope you rest peacefully my sweet boy.*
