“ We never did get to go eat that steak dinner, but I will think of you every time I have one. I will miss our breakfast together. I have so many memories growing up of you, living down below grandma. You and Nancy. I remember it was you that took us the night daddy got sick and we needed a safe place, it was my uncle Marion that was there for us. Others may claim they remember, but they dont.....I know what a great uncle you were to us all, not just one. You were the one we called for car issues, or needing a car, we knew you had it covered for us. You were always concerned for me, texting and calling to make sure I was staying out of trouble...lol. You will be missed, and will forever be in our hearts. Say hello to Grandma, Granddaddy, Aunt Jane and Darlene, Uncle Bobby, Tony and Pee Wee. Keep them all straight until we all get there. We love you.....

“ We knew Marion for many years and were constantly entertained by his "stories". He had the unique ability to keep up with everyone! It was evident at our company luncheon earlier in the year that his health was weighing on him. Our sincere sympathy to the family at his passing.
