“ *I have known Kay, since we were young girls and graduated from Campbell High in the class of 1965. She was one of the sweetest girls in our class, always had a beautiful smile. Was so glad to see her at our class reunion, we had so much fun dancing, like we did in high school. She had a beautiful mother and they were always dressed in the 10's. Deepest sympathy to her family.*

“ Frank and Kay were our neighbors for over 40 plus years and they were the best. We didn't have an official Neighborhood Watch but if we had we would have elected Kay our President. She looked out for all her neighbors. They raised two great children who still occasionally drop by to see how we are doing. That speaks volumes about their parents. Paula, Tommy and family, we are so sorry for your loss and we pray that your memories help you through this difficult time. Much love.
