“ *David---Carol-- I an so sorry to hear of your Mom's passing. I can remember Margie as a super Sunday School teacher starting at E.Pt. First Methodist on to Saint Matthew. A fine Christian lady---a good neighbor and a friend. Earl and I worked at Southern Bell together in the Directory Ad. Dept----we traveled the State of Ga. together working the directory in each town. We rode together---sold ads together and shared a motel room together to save money ! He was also a fine friend---super Marine in WW2----and a good neighbor! God bless the memory of these two fine people. Bill Eidson bkeidson1@att.net*

“ Dear Carol, David and Sherri, I have such fond memories of the times the Leftwich's and Bellah's spent together at St. Matthew Methodist Church and on many, many get togethers. Your mother will always be Aunt Margie to me. She lived a wonderful life filled with a strong faith that touched many people. Sending my prayers and sincere sympathies to you.

“ Louise, David, Jeri, Carol and Sherrie, I have many memories of Margie. She is the last parent from Pine Ave to move to her mansion. I wish I could be with you tomorrow. I found losing people from my immediate family to be very hard but also sweet memories surfaced from the love and kindnesses offered at that time. My prayers are with you as your own experience plays out. I loved her too. Joyce Peek Lysne

“ I have had the privilege of calling Marjorie my friend for many years. For several of those years we were in a Bible study together once a week at FUMC. Although Marjorie was not the leader of the study, I learned a lot from her. What a staunch faith she had! There is one thing that Marjorie said that will forever be stuck in my mind. She commented one day that she would never wear a cross as a piece of jewelry. She said that the cross to her was a sad symbol of what Christ had to suffer. One thing that she couldn't resist though was collecting bunny rabbit statues and trinkets. I nicknamed her the energizer bunny because of that, and no matter what she faced she just kept "going and going". Marjorie will certainly be missed in our little corner of the world.

I have so many fond memories of Marjorie during our Fulton years and after. We shared many laughs, hugs, and sometimes tears over the years. She had a tremendous faith and loved her family and friends beyond measure. Marjorie will always hold a special place in my heart as my 1st "Second Mom" and as a friend. May peace and loving memories be with all of her family.
