“ Annie,  
*Extending heartfelt sympathy in the loss of my brother Mark. I grieve along with you the loss of your beloved one but not as those who have no hope because our hope is in the one who has promised us as believers that where he is, there we shall also be. I believe that the God of all comfort will stand by you and bring you through this difficult time.*

*Charlotte Williams (Char) as Mark referred to me.*

*Mark was/is one of the nicest people I ever met- so genuine and so kind and such a wonderful smile. Only shortly did I get to work with him at OM before his diagnosis but I treasure that brief time. he brought real joy to our team. Annie, I know how to pay for widows....and you be remembered often! May your lifetime of memories and God's faithfulness to His promises sustain you as you grieve this great loss.
