Mark was a sweet and kindhearted, down to earth guy. It was a pleasure working with him over the years. My condolences go out to his family and friends that were like family. He always talked about his family and how he loved spending time with them. Cherish the wonderful memories of him.

“ Just found out about Mark’s homegoing. Mark was a true gentleman who loved his family. He must have really loved them as much as he bragged about them! Mark was also a model employee, a solid manager & one of my best friends in the FULCO Government. I was blessed to work closely with him, especially my final two years with the county. I look forward—as I know his friends & family do as well—to seeing him again, in the presence of our Lord! May God bless & watch over his family during this challenging period in their lives.

“ Mark will truly be missed by his fellow Fulton County DREAM co-workers. I had the opportunity to work with Mark for many years and there was never a time when we spoke that he was not pleasant and respectful. He was very dedicated to his wife and children and often spoke of them with pride. He brought that caring nature to the job, always looking out for his Grounds and Pest Control team members. I will always remember his smile and that country boyish charm that made you feel like you had known him forever.

May God comfort you and give you peace in knowing that he held a special place in the hearts of many, but most of all that he has a special place with the Lord. God bless you and keep you.

“ Mark Wade was a wonderful person, a hard worker and a true family man. I worked with him at Fulton County for several years and he was a dedicated professional who cared about his job, the employees he was responsible for, and always brought his "A" Game. He approached his work with humor and was always eager to learn and apply his skills to making sure everything he did was of the highest quality. He so loved his family and spoke about them to me with a sense of love and pride. To Tammy and the children you will be in my prayers and I will lift you up during this most difficult time. I truly feel your pain. May God Comfort you.
