“ Cecil, Cindy, Kenny,Dwayne, Brenda, I can only imagine how you are all feeling. I am so sorry for the loss of your Beautiful, kind and loving Mother. I will never ever forget your Mother's kindness towards me and letting me blend in among six other children. I loved being around your family at your home or on trips. I can hardly believe they even let me squish in the back of the station wagon with you all. I will miss calling your Mom to find out what was going on in the clan these days. When I brought my daughter to meet Doris and Daddio, they gave her a Cabbage Patch doll and she never forgot that. We got two chickens shortly after that and she named them Cecil and Doris...of course!! I could never express what being with all of you meant to me for those years! I will never ever forget Your Mom and Dad! They bragged on all of you and were so blessed to have such loving children. I know with time you will find comfort in all your memories. I can imagine your Mom and Dad and Doug all watching over us now and there is no suffering. I love each of you always and am always here if you need me.

“ Ms. Doris was one of the sweetest ladies I've ever known. I have very special memories of her from when I was a little girl & Cindy would take me with her when she went to see her Mama & Daddy. I always knew she'd have popsicles ready for us kiddos. So many more things I could say but most importantly just that I feel blessed to have known this very special lady. I love you all.

“ Dearest Jr., Kenny, Dwayne, Cindy, Brenda and family:

*We were saddened to hear of Doris' passing. She was a wonderful lady and will be sorely missed by all of those who ever had the pleasure of meeting her.*

*I first met Doris when I went to work at PPG in 1968. She was a very hard worker. She loved her family very much. We had a lot of fun times at PPG. She was very special to me.*

*We pray that "our GOD" will afford each of you comfort, strength and sweet peace today and in the days and nights that follow.*
