“ My deepest sympathy to the family. We are never prepared for that last goodbye no matter the circumstances. Mary was very dear to me .. I have fond memories of her from the years we served together in the Dorcas Circle. She was especially encouraging during the two years I served as President. She will always be remembered with love.

“ We had the privilege of meeting Mary at Hope Memory Center. She was the first person, our friend, Rosemarie, met and enjoyed her friendship. On our visits we shared time with Mary and delighted in her quick wit and stories of her family. When she moved to another wing, I continued to visit with her and now miss seeing her delightful face.
