“ Dear Mack, girls and Mackey's extended family and friends,

We feel you all are family because Mackey loved each of you and kept us posted about all your accomplishments. We loved and laughed with her for many years. Mackey knew each of our patients and their families. She welcomed and made a dental visit enjoyable for all. After our retirements we have not been in touch as often but the Christmas cards were a delight to get each year. Mackey caught us up to the happenings in the family. Hope we can still hear from you. We send our love to each of you. Mack, we pray for your health and happiness as well as all your wonderful family.

Most Sincerely, Dr. BoJo and Remah Evans

Dr. Evans and Remah, thank you for your kind tribute. We would love to talk to you. I know Mom and Dad's address book has some contact information. Do you think what she has is still current? If so, I will contact you soon. Kathy
