Mary Nell was a beautiful lady who always had a smile and a great sense of humor. She was elegant, talented, and was loved by us and our Sunday School class. She will be sorely missed by so many. We feel so blessed that she & Bob are our dear friends. Our deepest sympathy & love to Bob as they were the “role models” for a happy marriage. They were so devoted to each other. God needed an “Angel” so He called her home. May God give Bob the strength, peace & courage in the coming months. With love & much sadness, Becky & Danny

My dear Mary Nell got her angel wings and she is playing her song. That heavenly key board is playing her favorite song. I will miss her smile and the smiles that she gave me at Hope Center Memory Care. My heart is sad but I know that Mary Nell is making heaven bells ring. Mr. Bob you are in my prayers today, tomorrow, and always. .Connie Tallent

“ I just want you to know that I care, and that I thought so much of Mary Nell. She was a very special person with a very special type of confidence and optimism. I am so sorry that she and you had to experience the frustration and sadness of this most awful disease. God proved His mercy by freeing her from her loss. She is probably in heaven playing an angelic hymn for Jesus Himself. I'll bet Aunt Maggielene and Uncle Allen are standing around the piano listening. At least, that's the way I see it.

“ I cry for us here on earth who will not hear one more story that only Mary Nell could tell, one more fish fry she could put on, one more golf tournament, one more church choir rehearsal, one more workday at church and many other activities that her unique touch made so special. She could hold a Sunday School class party spellbound with one of her stories or even an entire congregation! I remember the story where she went in her living room on a summertime afternoon to play her piano. She played up a storm. When she finished, she heard rousing applause coming from outside her open windows. She had no idea her neighbors came and sat on the lawn they when they heard her playing. Bob told me that even when she didn't understand too much and why she couldn't live at home any longer, she could still sit down and play the piano!

Whenever we met Marry Nell or departed from her, we felt loved and special. She and Bob were a dynamic couple, the perfect match!

I am so sad for us left behind but my goodness, Heaven, I don't know what you will do with her! We love you Bob and our sympathy and prayers for you. You did a good job taking care of your "Miss Daisy"

“ Bob, we are going to miss Marynell she was a lovely lady. We sure enjoyed your visits when you'll came down to the farm. She was so beautiful, as she would say when you told her “I can't help it! God made me this way” she sure was sport and before she became ill was very quick witted.. She loved her flowers so much, as I found out when I cut the grass at the farm one day .. I did mow a few that looked dead she let me know real fast they were not.. we stayed friends even after that day. She sure loved that farm, Bless her heart she always wanted to come back to the farm. Prayers & our sincere condolences Bob

You took such care of her now she is happy in Heaven with her Mom & Dad.

Please let us know what we can do for you !

“ Thoughts and prayers for comfort and peace to all the family and those who loved Mary Nell. She was a joy to be around and enjoyed being a part of many different groups. She loved to tell entertaining stories of her life on the farm, how she and Bob met and working with Bob to build their business. She loved to sing and play hymns from the Cokesbury Hymnal and she knew how to have fun. She was loved by so many and she will be missed.
