Death leaves a heartache no one can heal, but love leaves a memory that no one can steal... words can't express how sorry I am, such a sweet soul. Raven, Bladen, Nick and Payton you will always have a guardian angel on your shoulder watching over you, taking care of his children...Karen, I will keep you and your family in my prayers...

Buddy pal good friend you will be missed I remember the first time I met you was at MpWord. We became good friends we used to hang out ride bikes skateboard write all over the place there wasn't a place we didn't ride in Fairburn ,we used to hang out at Chuck's bicycle shop. We had our ups and downs fought over girls. But made up within a day or two then we went to middle school hung out. Are small group of friends Carlos ,Ricky ,Rodolfo Shannon. Yes we got into trouble all the time.but we were teenagers living life to the fullest. I remember you getting your first tattoo on your arm ,you were the baddest kid on the Block.with that tattoo.. You were down for whatever. You always had my back and others. You were the white boy that hung out with them Mexican boys. And we accepted you like a brother..you will always be in are hearts. Love you Brother until we see each other again. My long time friend. 🙏🙏 Rip

“ My heart goes out to Matthews children and his family. To his children, I know you all are suffering and the pain is going to always seem unbearable at times. but when you start to feel sad start remembering the good times you all had with him. All the times he made you laugh and smile. Everything Happy y'all done together. I lost my Daddy in March this year and I absolutely understand what you all will be going through. But when you start to feel sad and start to cry do what I said and remember the wonderful moments. It will help you along the way. Stay strong and remember he will always be with each of you. My condolences to everyone.
