“ *I am so sorry for your loss. Your Mom was always so sweet and am so happy to have had special memories of traveling with you and your Mom. Remember the trip to Grand Cayman? The video was wonderful--she looked amazing and elegant right to the end. God bless you and Wayne for taking such good care of her.*

“ I met Mrs. Maydell years ago while working at AMC. I was having a hard day and another coworker asked me "Hey have you ever met Mrs. Maydell" I said no, who is she? They said "This is a lady you have to meet ~ she gives the best hugs ~ seriously it will change your day" so I walked out into the lobby found Mrs. Maydell and said "I heard you give the best hugs" she smiled with a little giggle and said "Well come here hon" than gave me a hug that I'll never forget and I was hooked from that moment on.

Mrs. Maydell had such a kind way, a sweetness about her that myself as well as the staff fell in love with, we adopted her as our clinic Grandma, the staff would line up to get one of her famous hugs each and every time. She left a lasting impression on us and she will be greatly missed. If I could say anything to her now it would be thank you. Thank you for always being a ray of sunshine in our crazy busy days, thank you for your hugs, which no lie your hugs made our tails go full circle happy.

Our thought and prayers are with Darlene, Wayne, and the family for peace and healing.

Love, Michelle

Darlene, I want to express my thoughts and prayers to you at the loss of your mother. I never met her but heard so many nice things about her from her friend, Nina Mikell. We volunteer at Southwest Christian Care. Turns out I figured out from her talking about Maydell that I used to work with you back in 1976 and 77 at Southern Airways. We both shared an office with Pat Hammer and Steve Markin. I was there from June 1976 until March of 1977 at which time I got married and moved to Birmingham. I was unable to stay on with Southern as there were no jobs in B'ham. I enjoyed the days, weeks and months that we worked together. Again, my thoughts and prayers are with you.
