“ I have most recently enjoyed talking to her by phone. Sometimes I'd call her but other times she gave me a call! I love the gray butterfly sweatshirt sweater she made me with glitter accents & a white one she made for my Mama-Martha Jane Conner Fletcher. I have been describing her as sincerely loving & a sweet Christian woman! She has been beautiful inside/out to all of us!! Thank you God for this lovely lady in our family!

May the comfort of precious memories & her love be with us all forever!

Love & prayers,

Melba was a roll model to me. One of the most "real" people I have known . She was warm , honest, and listened . I babysat for her children and spent the night and felt her love for her family and me...years later Melba babysat for my children ...the only one I could allow ♡. I love her !

“ Melba was an angel on earth. She reached out to neighbors and friends and incorporated them into her family. She certainly did that with our whole family. Buzz made the comment "she collected people" and I think that describes her perfectly. Her family was her pride and joy, and being part of that family through her love was a blessing. She was a very special lady and is going to be greatly missed.

Love to Buzz and all the family,

Your Mother, Alecia, was a very pretty lady. Your sweetness speaks volumes to the Mother she was to her children. Praying for your family's comfort in the days ahead.
