*Melinda and I shared many hours together at Ramah Baptist in Palmetto from the time we were old enough to remember. VBS, Sunday School, always sitting together in church. She often tried to make me laugh out loud when we were supposed to be quiet. On church outings, we were practically inseparable.*

*I spent many nights at the Astin house with Melinda and me talking well into the wee hours, until Ms Virginia came in to tell us to go to sleep. I remember riding in the back of Mr Ralph's camper to football games. That was special.*

*We skated, played ball, rode horses, and then at Campbell HS we were in the band together. It was very special when Melinda was named the Drum Major(ette). She was really good at that!*

*We went our separate ways after high school, but I'm so glad that I had a chance to spend special time with her in recent years at Deborah's house.*

*Melinda was indeed unique! With love to the family, Carole*
