“ *Mr. & Mrs. Robert Amis, and family,
May beautiful memories comfort you in this sadness of times. My deepest sympathy to you all. It seems just only yesterday that my daughter Renae Watson started baby sitting Michael at the tender age of three. She would always come home and tell us how much fun she had with the kids. And Bill enjoyed working with Bob at Eastern Air Lines. The good old days.
My thoughts and prayers be with you all always. If you need anything we are here.
Love in Christ, Mrs. Bonnie Poythress*

“ Even though I have no idea how Michael died, one thing I know for sure; God was waiting at the gates of heaven for him to arrive. Only the good die young they say. Now I know why they say that. Michael was a good man.
He was a great sign maker. Rest in peace Michael as you are now with all the other great sign makers that have gone before you. Save me a place and say hello to my Dad for me. My sincere condolences. - Debbie Parton

“ Kristen & Family, i am so sorry for your loss. Michael was my go to guy on custom sign/foam projects. He always had great ideas and his word was like his work....First Class. Like many of your customers, we interacted primarily on the phone. It was a real treat the day I happened to be there with you and Michael in the office and discovered y'all were Yorkie lovers also. May Michael rest in peace and Gods comfort be present to you at this time. Jason Moore and.the A1 Signs team.

He was so helpful and went out of his way to make me feel like I was his only client.
