“ From the very first time we met Mike and Sheila in Cades Cove many years ago-there was an instant friendship that has continued. I was sitting on the ground next to a tree, taking pictures of a Whitetail Doe Deer. My husband on one side; Mike on the other side taking pictures of me and the Doe, all in the same frame. Mike was a very special person we will never forget! An awesome photographer! We will surely miss him. Vernie & Dan Burch.

Sheila, our sincere condolences to you and your family. Mike will be missed; and we will always remember his admiration and naming the deer in the Cove Campground the Gatekeepers. May the Lord grant you all strength and peace. Tommy & Marie Kirkland
