What an intelligent and witty woman. Proud to be associated with her as a sister-in-law. God can sit back and take a rest now that Madelyn AND Mickie are there to take charge. My heart goes out to Ted and rest of family.

“ Dear Ted and family: As I viewed the video through a veil of tears, years of memories flooded my mind. She and I laughed often about the day she touched my shoulder in church, just as the service started and said "You're the President of Dorcas next year". I hissed "NO", as she wandered off and couldn't be found after church ended. After much prayer and deciding that the nine months as President would be equal to a troublesome pregnancy, I could endure it, I spent the next two years of spiritual growth and bonding with sisters in Christ beyond my wildest dreams. Our friendship grew as I worked with her on Wednesday night dinners, and her enduring attitude that could see humor in every situation was infectious.

Too frequently as I grow older death of family and friends are a constant occurrence . In my sorrow and pain I recall Helen Keller who said, "What we have once enjoyed we can never lose..all that we love deeply becomes a part of us." To paraphrase Gibran "...when we grieve for our loved ones it helps to remember that the loss which brings us such sorrow was the life which brought us much joy." Mickie brought joy with her very presence. I loved her dearly and will miss her. My heartfelt sympathy to all of you.
