“ I worked with Mike for years at AAA Cooper. Dispatchers tend to be unloved for reasons they don't even have any control over, however, I never heard one unkind word said about Mike. I can remember going to meetings during which Mike would be recognized and the enthusiastic applause he would receive. I don't have to tell his family what a wonderful man Mike was, but I thought that they would enjoy knowing that everybody else thought so, too. So very sorry for your loss. We lost my father-in-law to CHF this year, after taking care of him in hospice, so I know what everyone went through. I pray that you will soon forget that experience and remember only the good times.

“ hate I lost touch with Mike he was a great guy. My prayers and heart are with the family.

As far as a memory, I remember Mike and I put a clutch in a Ford Ranger one winter and it started snowing on us about the time we finished. I was about to leave and he offered me to stay the night. I advised him I had to try to make it home. The grin on his face was priceless when he said....Well that is what 4- wheel drives are made for and laughed.He was one of the very few people I ever worked for that had good common sense. RIP my friend the world has lost a good guy but heaven has gained a angel!

“ My husband worked for AAA COOPER for 21 years before he passed away in 2000. He would talk about Mike and him joking and being funny while at work. He valued Mikes friendship. I am so sorry for your dads passing but as the Bible tells us, “to be absent in the body is to be present in the Lord.” I pray this brings comfort to you and your family. I lead a Grief Support group in Stockbridge and if I can help in the future please contact me. Kathy Sanders Moss 404-661-9810. God bless you and comfort you.
