“ My deepest sympathy to all of Mike's family. Mike won my heart in my youth while in nursing school at Grady. He still occupies a fond place there full of wonderful memories. With the help of Facebook, he connected with me in Oct. 2012 and we were able to catch up and talk about old times and old friends. I am so thankful for that connection, even if brief. He loved his family dearly and was very proud of his children. Cherish your memories.

“ I know that Mr. Mike is with our Lord that he loved so much. He was one of a kind. There are so many memories I have of him, from my pawpaw, daddy and I fishing on his lake, him letting my dad film the Walmart commercial of fishing there and my husband and I house sitting for them. I still laugh thinking about how he told me the parrot would pull its feathers out when anxiety hit it. Sure enough, when Mr. Mike and Ms. Susan got back, the parrot was almost bald. Ms. Susan and family we love y'all so much. We are praying and know God will be right there with y'all. Mr. Mike, thank you for being such a blessing to our family. You will be missed terribly, but I know I will see you again someday. Until then, I know you are happier now than you've ever been. We love y'all so much..... Becky

“ My prayers go out to the Carson family, I am so sorry for your loss. May we meditate on John 5:28,29 which says "...All in the memorial tombs will hear HIS voice and come out...to a resurrection of life..." This promise from GOD gives us hope of seeing Mike again. Until that day comes, rely on GOD and family at this difficult time.

“ I only got a chance to meet him once but as we walked around the yard and talked, I could tell he was such a great man and father. He was so proud of his kids and how well they were doing. I'm glad I got the chance to meet him and pick his brain about life. He's left a lasting impression on me from our one brief encounter and I will never forget him.
