“ I will never forget the first time I talked to her on the phone. Sister Mary Humphrey was at my house and she called sister Mildred. I asked her who she was talking to , and she said my precious mother. I knew sister Mary's mother had died several years ago. So she put Sister Mildred on the phone to verify she was her mother , little did I know she meant MOTHER IN THE LORD. She was so precious. I just fell in love with her. I love you Sister Mildred. Dance around the Throne one time for me.

“Mildred was truly an example of our Lord Jesus. She shared and showed His love with everyone she seen, she always had a kind word even to the stranger on the street. She loved the little children and elderly and would shower them with her love. She did not ever say anything that was unkind or that caused pain. Her face and eyes cried out love and joy even in her times of heartache and suffering. She will truly be missed by many and if she had a last word as she left this old world to reunite with loved ones on heavens golden shore she would tell us "I send Jesus with you" Thank you sweet sister for all the love and all the service you gave to my family as you passed through this life heading toward your eternal home. We love you and you shall live on in our memories and hearts. Praise God !!!

“Mildred was an example of God's love, she always had a smile and a warm word for everybody she seen or passed on the street, she never said an unkind word to anyone. I don't remember not knowing her, she was a full fledged sister to me and my family. She helped take care of my daddy, her daddy, her momma then my momma. She will truly be missed and we will always thank our Lord for giving her to us. When she went to her eternal home with Jesus late Friday night i'm sure her soul was telling us all " I send Jesus with you" Praise God for His mercy on us !!!!
