“ Really going to miss you Grandma, and I think God for letting us have you for the 99 1/2 years we did. You lived a very full productive life and as much as I am going to miss you, I know you were ready to go. We will see you again soon. As I know you will be standing on the banks waiting for us. Rest Well Grandma until our time comes to meet again. I know you'll be watching over us. Love you forever and a day, Tina
