“ Our sincere sympathy to Anns family. A special hug to Barb who was a classmate. I still think of your parents when I remember our high school days and how full of life and laughter they were. I will keep you all in my thoughts and prayers.

“ To All, My sympathy for your loss. I always enjoyed working at the Club for your Folks. Ann was always very special and very kind to me and to all the Meyer Family as I think three of us worked there as well as going to high school together with Barb and Sarah. Sincerely, Earl Meyer Jr.

“ Deepest sympathy to all teh family. It was a treat to have Ann and Don as neighbors for several years and loved to see Ann at church with occasional visits from Betsey and others. God be with you all.
