*Shelia & Lynn,
We're so sorry to hear about Buddy. One of my fondest memories of Buddy was his big smile and him laughing. Along with that huge bear hug he would give. We will keep y'all in our thoughts and prayers.*

Wow...I had no idea that Buddy passed away. As a kid growing up my dad was chief of police in Fairburn when Buddy was still with the Fulton County Police Dept. We lived in the house connected to Fairburn PD and on several occasions my dad and Buddy would be hanging out with each other having a few drinks. I'll always think of Buddy as part of our family. My dad passed away in 2009, now he and Buddy can tell those jokes and tall tales as much as they like. I swear, it brings tears to my eyes. On behalf of myself and the rest of the Nave Family, our infinite love, thoughts and prayers are with you all. Love you and God Bless you, Buddy.

“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.
