“ Uncle Murphy will be missed by all who knew him. I'm going to miss that wit he had about him he could give it as good as he got it. He was a lot of fun to be around. I can remember him cooking pigs and cooking up some non-sense with everyone. My thoughts and prayers are with everyone. Much love to all!! JoAnn Anderson

“ Dear Melanie, Nolan, and family, We have many good memories of your Dad and his family from our time at Timber Ridge on Lake Lanier. We had such good times up there and always enjoyed talking to your dad and seeing his family. He loved you so much and would always tell us what you were doing when we happened to see him. We will keep your family in our prayers.

Me! My thoughts and prayers are with you and your family during this difficult time. I only met your dad once, and he greeted me as if he'd known me forever. I know he was a great man just from the way you spoke of him, and in your mentioning of all the ways he cared for you, Tyler, friends, and family. May the grace and peace of God carry you through.

“ *Melandie and Tyler, my thoughts and prayers are with you and your family. Your father always had a smile for us when he picked Tyler up from school. I remember how he heard I needed tires but didn't have the money at the time, so he made arrangements for me to get them and pay a little at a time. Linda Flowers*
