“ Julie, I'm so sorry to hear about Murray. Always such a nice and kind uncle. I have fond memories when I was a teenager of he, your Mom and Pinto. They would let me ride and help take care of the him. Wishes for you Julie for peace. It's hard losing a parent no matter what!

“ I'm so sorry Murray passed away. Murray and I grew up in Tyrone and I have so many memories of our childhood, especially playing baseball. Murray was our pitcher and team captain. Murray is on the right side of the top row in the photo of our team. I'm the one with the glasses. We have lost other members of the team over the years. My condolences to Judy and all Murray's family members. I will miss him.
