“ *From your 1st cousin Shirley Daniel
Cousins are usually the first friends we have as children and such was ours. By blood we were cousins and by hearts we were best friends. We made a lot of memories throughout our childhood days. You lived in Alabama and I in North Carolina so we wrote letters frequently and always visited during summer break. There is nothing that is invincible for a soul as spirited as you. Our family chain is broken but as God calls us one by one, the chain will link again. I will always remember our many fun times together. My condolences to your children and grandchildren.*
