“ My heartfelt sympathy and prayers to Myrna's precious family. Myrna and I met 54 years ago at Fort MAC and became instant friends. We just had fun and enjoyed each other's company. We found we had a love of "shopping" and also we talked on the phone for hours. We felt like sisters and even stated James 1:17 that God had brought us together for this particular time in our lives as each of us were going through some very difficult times in our personal lives. Through it all, Myrna and I shared and comforted each other and supported each other all the way. We had fun together, laughed easily and Myrna always said "It was wonderful." It very difficult to sum up 54 years of a very special friendship. I have so many precious and fabulous memories that I hold in my heart. Myrna was a special person and holds a very special place in my heart. I know she is at peace now, no more pain or suffering, she is in Heaven with Jesus. As Paul stated, to be absent from the body, to be alive with Christ. And, also, we will know one another when we are in Heaven. What a comfort to me and to all of us. I love you, Myrna, and I miss you more than words can express. What wonderful, special friend and It was wonderful!

“ I got to know Myrna and Bob when we moved to Huntsville from Knoxville. We rented their house and lived there until we bought one. We became good friends; sharing meals, going out to eat, and taking trips together. Our favorite restaurant was Bonefish Grill and our favorite order was Bang Bang Shrimp. I miss you both and often think about the good times we shared. After she moved to Newman and I moved to Massachusetts I saw her a few times. She told me she was happy in Newnan and was so glad she had met and married George. She was a delightful and caring person and I was devastated to learn that she had developed Alzheimer's. I am glad that I got to know her and that she was my friend.
